Dear Parent/Guardian:

St. Ann Center for Intergenerational Care is offering a service-learning, educational and mentoring project called "The Buddy Program". The focus of this program is to strengthen intergenerational relationships and increase respect for diversity within the community.

Youths participating in the program will be required to work one hour, once a week at **St. Ann Center for Intergenerational Care**. The fall program runs from **October 15th, 2018** through **December 6th, 2018**.

Through the Buddy Program, your child has the opportunity to learn valuable job skills, how to budget money, and will have the opportunity to work on social skills. The program seeks to build each participant's self-reliance and self-esteem through these activities, and prepare her/him for a responsible and bright future.

At the conclusion of the Fall Program, children who have successfully completed the program will receive stipends as tokens of our appreciation for their service (stipends **are not paychecks** and amounts vary based on grants received to fund the program). Transportation is not provided.

**Both** you and your child should complete the attached application(s) and submit them by **September 28th, 2018**. Space is limited so please make sure all applications are turned in by the deadline. Incomplete applications will not be accepted.

For questions and/or concerns regarding the Buddy Program, I can be reached at [dkenny@stanncenter.org](mailto:dkenny@stanncenter.org) or at 414-977-5075

Thank you, in advance, for entrusting your child(ren) to our program.

Sincerely,

**David Kenny**  
Director, Buddy Program
